Experience

Albert Health

Software Engineering Intern

Contributed to backend development of Albert application using microservices architecture:

- Built RESTful APIs and business logic using Spring Boot and JPA/Hibernate
- Implemented event-driven communication patterns with Apache Kafka
- Utilized Grafana and Graylog for application monitoring and logging
- Learned authentication flows using Keycloak
- Practiced deployment workflows with AWS and Rancher, utilized Docker and Kubernetes for containerized microservices.

Reference: Ozgur Karakaya – Backend Developer (+90 538 429 98 40)

Istanbul

08/2024 – 01/2025

Softtech

Software Engineering Intern

- Contributed to the front-end development of [Lokum](#) application using React and Next.js, enhancing user interfaces and improving application performance.

Istanbul

04/2024 – 07/2024

Garanti BBVA Teknoloji

Software Engineering Intern

- Developed RESTful APIs (Java, Spring Boot, Spring Framework, OracleSQL, gRPC) and contributed to a Batch service by implementing data-organization algorithms and unit tests (JUnit/Mockito)

Istanbul

07/2023 – 08/2024

Leadership & Activities

Marketing Club of Koc University

Istanbul

Executive Board Member of Social Affairs Committee

05/2024 -

- Spearhead the organization of social activities for 800+ club members, overseeing event planning, logistics and communication to create engaging and enjoyable experiences for all participants.

Coordination of Foyer at KAMP'25

03/2025

- As the Foyer Coordinator, I organized the Sevgi Gonul Auditorium in Koc University to facilitate product showcases from a diverse range of companies in KAMP'25, a prestigious 350-attendee event.

Koc University Entrepreneurship Research Center

Istanbul

Member of KWORKS Experience Program

12/2023 – 02/2024

- I had the opportunity to immerse myself in the KWORKS ecosystem, gaining hands-on experience in startup acceleration programs, collaborating directly with KWORKS experts.

Bilgiyi Ticarilestirme Merkezi

Istanbul

Member of BTM Kamp Program

10/2023 – 03/2024

- I participated in a program designed to support entrepreneurs in transforming innovative ideas into viable business models and becoming integral parts of the entrepreneurship ecosystem.

Koc University Diving Club

Istanbul

Active Member

10/2021 -

- Traveled to various coastal regions in Turkey, honing scuba diving skills and exploring diverse marine ecosystems under the guidance of experienced instructors.
- Collaborated with club members to plan dive trips, prioritize safety protocols, and foster a shared passion for underwater exploration and marine conservation.
